Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

The undersigned, Hitoshi Takanashi, not a named co-inventor of the subject  
application, hereby petitions the Assistant Commissioner for Patents to add Hitoshi Takanashi as

a joint inventor of the subject application, and, in support thereof, states that:

1. I was not a named co-inventor along with Yu Song in the invention described and claimed in the above-referenced application filed on May 29, 2001.

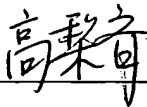

2. On or about September, 2002 it was determined that I contributed to at least part of the subject matter which is claimed and for which a patent is sought. The omission of myself as a co-inventor was thus only recently discovered, and was inadvertently made without any deceptive intent on my part.

3. I request that the Commissioner of Patents and Trademarks permit the addition of Hitoshi Takanashi as a co-inventor of the subject application.

4. I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true and these statements were made with knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully Submitted,

Dated: 10/21/2002
